About Delta Dental...

Delta Dental gives you the freedom to visit the dentist of your choice and to select any dentist on a treatment by treatment basis. It is important to remember your out-of-pocket costs may vary depending on your choice.

Delta Dental also gives you access to two networks of participating dentists, Delta Dental PPO and Delta Dental Premier. If your dentist participates in both networks you will receive the best level of coverage available which is typically found in the PPO network. You can verify which network(s) your dentist participates in by visiting Delta Dental's website at www.deltadentalmo.com and clicking on "Looking for a Dentist?" or by calling Delta's Customer Service Team at 1-800-335-8266.

Delta Dental PPO Network

A subset of the Delta Dental Premier Network, over 293,000 dental offices nationwide participate in the Delta Dental PPO program. Delta Dental will provide the highest level of benefits (see benefit highlights) for covered services when care is received from a Delta Dental PPO dentist. These dentists agree to:

- **Accept payment based on Delta's PPO maximum plan allowance** – under this network, fewer dollars accumulate towards your annual benefit maximum, your out-of-pocket expenses are typically less and you are protected from balance billing.
- Submit dental claims for members and abide by Delta's policies.
- Charge members only their deductible, co-insurance, and costs for non-covered services at the time of visit because Delta Dental pays the dentist directly.

Your out-of-pocket expenses are typically lowest when you see a Delta Dental PPO dentist.

Delta Dental Premier Network

Comprised of over 368,000 participating dental offices nationwide, Delta Dental Premier offers you greater access to dentists while still offering the advantages of a network. These dentists have contractual agreements with Delta Dental which require them to:

- **Accept payment based on Delta's Premier maximum plan allowance** –these dentists have agreed to accept this as payment in full, which means you are protected from balance billing.
- Submit dental claims for members and abide by Delta's policies.
- Charge members only their deductible, co-insurance, and costs for non-covered services at the time of visit because Delta Dental pays the dentist directly.

Non-Participating Provider

If you receive services from a non-participating provider (does not participate in either Delta Dental network):

- You may be responsible for filing your own claim forms.
- Delta Dental's benefit payment will be made directly to you.
- Benefit payments will be based on Delta's non-participating maximum plan allowance.
- You may be balance billed if there is a difference between the dentist's charge and Delta's non-participating maximum plan allowance.

Your out-of-pocket expenses may be more when you use a non-participating dentist.
